

**2009/10 SEASON
CENTRAL ALBERTA HOCKEY LEAGUE, GAME PLAY**

Welcome Manager, Coaches and Players,

This note is to advise you prior to our league game today that Crossfield is an association who has identified themselves as a “clock dropping” association.

We have 1 ½ hours on the ice for Novice, 1 ¾ hours for Atom games, 2 hours for Peewee and 2 ½ hours for Midget games. Peewee games will begin on clean ice and include a flood following the 2nd period. Midget games will begin on clean ice and include a flood following the 1st and 2nd period. Novice and Atom games will begin on clean ice and there will not be a flood during the game. If the game is not complete as we near the end of our time slot, the clock will be dropped to 2:00 minutes, stop time when there is 5 minutes left in our ice time.

The timekeeper will wait for a stop in play, and indicate the clock drop with a quick “buzz” for a reminder to the referee and coaches.

Thanks for coming to Crossfield. We look forward to a good game of hockey for our minor players.

On behalf of Crossfield Minor Hockey Association
